MAKING MEN OVER

MAJ. E. C. BRANIGER TELLS OF WORK AT DES MOINES

1,500 WOUNDED THERE

Work of Reconstruction Will Continue For Two Years After War—Hopes To Be Sent Overseas Soon.

Major Earl C. Braniger, on a short furlough home from Fort Des Moines Base Hospital, hopes soon to be assigned to over-seas service. Major Braniger has been on duty at Fort Des Moines since his enlistment in the service over a year ago and is anxious to get closer to the front. The splendid success of his work here, however, has been responsible for his retention in service on this side.

In speaking of his work this morning Major Braniger told interestingly of the process of reconstruction and the aid afforded wounded soldiers in taking up some useful avocation when they are in condition to leave the hospital. There are now at Fort Des Moines Base Hospital, Major Braniger said, some thousand or fifteen hundred returned wounded soldiers.

Work has already begun to increase the capacity of the institution by the addition of about one thousand beds. The men besides being under the care of physicians and surgeons who are working to restore them again to physical health and to correct deformities caused by being wounded, are also being instructed by teachers in various lines of work in order that they may be equipped, when they leave the hospital, to take up some remunerative trade or business. Following the end of the war Major Braniger said there would be work for those in charge of the hospital for two years thereafter.

"I guess you hear some wonderful experiences from the men there of battles and incidents of the great struggle that have happened?" he was asked.

"Yes," he replied, "and lots of things that never happened, too."

Major Braniger returns today to Fort Des Moines, expecting within a few weeks to receive notice of his assignment to overseas duty.

EDUCATION DIRECTOR ABROAD.

Prof. Henry A. Foster, Former Normal Teacher, with Y. M. C. A. Abroad.

Prof. Henry A. Foster, formerly head of the history department of the Normal, is now educational director of an army camp near aris, working under the direction of the Y. M. C. A. Mr. Foster has been in France for several months. On arriving there he met the Rev. William Moll Case of Eugene, Oregon, formerly pastor of the First Presbyterian church of this city. In a news article in yesterday's issue, regarding the work of the two men, the name of Mr. Case was used instead of that of Mr. Foster as educational director. Mr. Case is doing chaplain duty. Both men are very enthusiastic about their work, are enjoying good health and meeting with success in their work.

IS NOW LIEUT.-COL PISTOLE

Nodaway County Again To the Front with Army Honor.—Is Nephew of J. C. Pistole of Hopkins.

Major William B. Pistole, who is judge advocate for the 19th Division at Camp Dodge, Ia., has been promoted to Lieutenant Colonel, Judge Advocate General Department. This will be pleasing news to his many friends in Nodaway county as Mr. Pistole was reared in this county, and attended school at Hopkins. He was graduated from the Stanberry Normal, L. C. Cook of this city, being a member of the same graduating class. Later he went to Harvard and started in the practice of law at St. Joseph, and after a few years located in New Mexico. When war was declared, Mr. Pistole enlisted and has been promoted until he is now a Lieutenant Colonel. He is a nephew of James C. Pistole of Hopkins.

PUTTING OUT NEW POSTERS

Literature and Other Publicity Matter For United War Work Fund Campaign Being Distributed.

Posters, literature and other publicity matter for the coming United Dar Work Fund Campaign is being distributed today by Supt. Bert Cooper of the Campaign committee ,aided by the Boy Scouts who are placing leaflets and other matters in Maryville homes. Supplies for all the townships in the county are also being mailed with instruction that they be distirbuted as widely as possible. The work of distribution will occupy several days. It is urged that business houses remove the old posters of Liberty Loans that may still be in windows and other public places to give room for the new posters of the United War Work Fund Campaign.

NEXT CALL FOR MISSOURIANS

Provides for 8,000 Men From Sept 12 Registration and 1,907 From Class 1 Prior Registration.

Jefferson City, Oct. 30.—Missouri has received a call to furnish 9,907 men in the draft qualified for general military service to be entrained during the four-day period beginning Nov. 11, to be sent to Camp Kelly, Texas.

The call was received Monday from Provost Marshal-General Crowder by Lieut.-Col. J. H. McCord, executive officer for the selective service law.

The call provides that 1,907 of the men are to be taken from Class 1 registered prior to Sept. 12. The 8,000 men to be called are to be from the Sept. 12 registration.

The state must also furnish ninety-five negroes to be sent to Camp Funton Nov. 19, for general military service.

Postpone State Teachers' Meeting.

On account of the epidemic of influenza it is announced by E. M. Carter, secretary of the Missouri State Teachers' Association that it has been decided to postpone the St. Louis meeting of the Association until December 26-28, 1918. The president and department chairmen will have a fine program. The meeting was to have been held November 7-9.

"FLU" A MENACE YET

NO PERCEPTIBLE DECREASE TODAY IN NUMBER OF CASES

ONE DEATH REPORTED

Health Authorities Urge People to Remain at Home and Avoid Going Where They May Be Exposed.

With one death from influenza and several new cases reported today conditions today are anything but encouraging, and there is no prospect of the ban being lifted until some time next week. Several cases were reported this morning to be released from quarantine and the premises fumigated. Yesterday afternoon twenty-seven warning cards were posted on as many residences, and while no complete record is available at either the office of the mayor or the city physician, it is estimated that there are now between forty and fifty cases under quarantine besides those confined at St. Francis hospital.

Dr. F. M. Ryan, city physician, worked far into the night last night looking up cases that had formerly been reported to ascertain if proper quarantine regulations were being observed. Practically every physician in the city is devoting his entire time to influenza patients and to aiding in the fight to check the epidemic.

It is again urged that with the danger by no means passed that the people refrain from visiting except in cases where nursing is required and that they remain at home and away from places where many people congregate, avoiding, as far as possible exposure in any manner. Be sure and wash the hands after handling things that have been handled by others.

The doctors say the clear, cool weather is favorable for the eradication of the contagion, and that the prospect of colder weather is encouraging. A good freeze right now would be the best thing that could happen, the medical men say.

Meantime, the physicians are urging people to keep their bodies comfortably warm, eat plenty of wholesome food, especially fruit and avoid drafts, though they should have an abundance of fresh air. Some physicians are strongly recommending the eating of grape fruit.

Washington, Oct. 30.—As an aid in fighting influenza the Food Administration today telegraphed the food administrators in each state the information that where it was necessary an extra sugar allotment for patients and those caring for them would be allowed.

ARMY CASUALTIES TODAY 423

Of Those Named 7 Were Killed in Action and 17 Died of Wounds.—34 Died of Disease.

Washington, Oct. 30.—The following casualties are reported by the Commanding General of the American Expeditionary Forces:

Killed in action	7
Died of wounds	17
Died of accident and other causes	8
Died of Disease	34
Wounded, severely	57
Wounded, degree undetermined	141
Wounded, slightly	142
Missing in action	17
Total	423

Included in the list are:

Corporal Samuel P. Graham, Gallatin, Mo., wounded slightly.

Corporal John W. Matney, King City Mo., wounded severely.

Sergeant Hobart M. Moats, Villisca, Ia., wounded, degree undetermined.

CHILD DIES WITH PNEUMONIA.

Funeral of Opal Criss to be Held Tomorrow Morning.

Opal Criss, the eight year old daughter of O. W. Criss, living in northwest Maryville, died last night of pneumonia following influenza.

Funeral services will be held tomorrow morning at the Dunkard cemetery near Sheridan. Several others of the Criss family are ill with influenza.

Aaron Williams Buried Tomorrow.

The body of Aaron Williams, colored who died yesterday in Kansas City, will arrive in Maryville tomorrow noon for burial. Short funeral services will be held at Oak Hill cemetery.

AFTER WAR PROBLEM

STATE DEFENSE COUNCIL COMMITTEE WILL PLAN WORK OF RECONSTRUCTION

A. ROSS HILL, CHAIRMAN

Return of Soldiers to Civil Life Will Make Readjustment Necessary in Many Lines.

The Re-construction After the War Committee appointed by the Missouri Council of Defense, of which President A. Ross Hill is chairman, will work out plans of re-adjustment solving the educational, economic, commercial and political problems following the war, says Missouri on Guard, the council's official organ.

Here are the members of the committee:

Dr. A. Ross Hill, president of the University of Missouri, chairman; Paul Brown, editor of The West At Work, St. Louis; Rev. B. A. Jenkins, Kansas City; Dr. A. W. Nelson, farmer and stockman, Bunceton; Dean Walter Williams, School of Journalism, Columbia; Mrs. Edmund F. Brown, St. Louis; Mrs. Hugh Ward, Kansas City; E. L. Hendricks, president State Normal School, Warrensburg; Clarence H. Howard, St. Louis Chamber of Commerce, St. Louis; Percy Werner, attorney, St. Louis; C. G. Brittingham, president of the Brotherhood of Locomotive Engineers, Eldon.

The idea of creating the committee was originated by Dean Walter Williams of the School of Journalism and was enthusiastically received by the members of the Council of Defense at the meeting in Kansas City, says Missouri on Guard.

It is apparent that the work of reconstruction following the war must be handled along well defined lines. Chairman Hill and Dean Williams are contemplating some excellent plans for the committee.

What the committee is charged with doing is shown by the following resolutions adopted by the council.

"The withdrawal of great numbers of men from civilian activities for military service has resulted in great economic, industrial and social changes.

"The absence of these men from the life of the nation for a number of years and their ultimate return to civilian life will present many changes and difficult problems.

"The return of the soldiers and their re-establishment in the social, economic and commercial life of the nation will require thoughtful and careful consideration by the Federal and State authorities.

"Many soldiers unfortunately will return crippled or maimed and these must be trained to useful employment adapted to their condition. Vocational training schools must be provided for placing soldiers on a self-supporting basis.

"Other problems of great importance connected with reconstruction after the war will arise from time to time. This Missouri Council of Defense should immediately take steps to consider these 'after the war' problems."

MRS. WILLIAM DAVIS DEAD

Young Mother Succumbs to Short Illness With Pneumonia.—Father and Son Are Seriously Ill.

Miss Mary Davis received word this morning of the death yesterday of her sister-in-law, Mrs. William Davis, living near Lansford, N. D. Mrs. Davis' death was very sudden and was caused by pneumonia which followed a short and severe attack of influenza. Her husband and four year old son are both critically ill with the same malady.

Mr. Davis is the youngest son of Mr. and Mrs. James Davis, who lived for a number of years on a farm one mile west of Arkoe. The father died several years ago and the mother now makes her home at Lansford.

Miss Davis has learned no particulars of the funeral arrangements.

Miss Leet Home.

Miss Elizabeth Leet, who has been attending Lindenwood college at St. Charles, Mo., arrived home this morning to visit her parents, Mr. and Mrs. Horace Leet. Miss Leet is recovering from an attack of influenza and will remain at home until entirely recuperated.

AUSTRIANS IN FLIGHT

ALLIES HAVE GONE FORWARD SO FAST THEY ARE THREATENED WITH ABSOLUTE ROUT—GOING IN TEN MILES THEY HAVE CAPTURED 23,000 PRISONERS

YANKS IN PURSUIT

AMERICANS ARE IN BIG BATTLE AND ARE HOT AFTER THE FLEEING ENEMY

SHELLS ACROSS DANUBE

THE BOMBARDMNT OF HUNGARY HAS BEGUN, WHICH MAY PRECLUDE THE INVASION BY ALIES

QUIET ON BRITISH FRONT

But the French Are Steadily Advancing Against Stubborn Resistance Between Oise and Aisne.

Austrian troops in Italy are rapidly being rolled back towards the Austrian frontier over a front of more than fifty miles. American forces are taking part in the great battle and have crossed the Piave to head off the fleeing enemy who are almost in a rout. It is unofficially estimated that the advance has reached ten miles and that the number of prisoners taken now number between twenty and twenty-three thousand. More than one hundred Italian villages east of the Piave have been liberated and the enemy driven out. Swift progress is being made by the Allies over the whole front, but especially in the district east of the Monticano river. So fast have the Allies gone forward that the Austrians are threatened with absolute rout.

The bombardment of Hungary, which may preclude the invasion of that country by the Allies has commenced on the Danube river.

A temporary lull has settled down on the British front but the French are steadily advancing against stubborn resistance of the Germans between the Oise and the Aisen.

The Americans are pounding the German lines of communication with big guns northwest of Verdun. The Turks are rapidly quitting Russia and the Austrians are withdrawing from Albania.

138,288 Prisoners Taken.

London, Oct. 30.—Prisoners taken by the Allies on the Western front in October total 138,288. It was learned by the International News Serivice today. The number of captured machine guns is estimated at 2,085.

The Allied artillery has begun to bombard Hungary. The Allies have reached the Danube river at Irongate and are throwing shells across the stream against the Hungarian positions.

The British war office announced today that 30,000 prisoners have been captured on the Belgian front since September 28.

American troops from Ohio already are taking part in the great battle raging on the Italian front in which the Allies have progressed ten miles on a forty-mile front, said a Milan dispatch to the Telegraph today. The offensive is progressing rapidly and many villages have been liberated. The Italians are now less than ten miles from Vitterio, the chief Austrian base. Monte Pinar and Monte Perlo, two heights of great strategic importance, have been captured by the Allies.

TURKS EVACUATE BAKU.

London, Oct. 30.—Turks evacuated Baku without a struggle, a Zurich dispatch says.

TURKEY READY TO QUIT?

London, Oct. 30.—The capitulation of Turkey is imminent and armistice terms already have been prepared, it was learned on high authority today.

Miss Anderson Here.

Miss Florence Anderson of Braddyville, Ia., is spending a few days in the city, the guest of Miss Virginia Lawson.

KAISER SEES END?

KAISER SEE S END? DLA LR-M .. CONSIDERS SITUATION HOPELESS AND WILL ABDICATE, REPORT

ARE ROITING IN AUSTRIA

State of Seige Is Reported at Buda Pesth and Germa nTroops Have Been Rushed There.

Copenhagen, Oct. 30.—Rioting, which many already are reported to have been killed, is continuing in Budapest. General labor revolt is imminent, and bayonets and machine guns are being used.

Travelers from Germany declared today a definite statement regarding the abdication of the Kaisers may be forthcoming within twenty-four hours. The Kaiser considers Germany's positions as hopeless and is prepared to abdicate, according to reports reaching here from Berlin.

London, Oct. 30.—A state of seige has been proclaimed at Budapest and German troops are being rushed there. It is reported from a Swiss source that the Austrian foreign minister has decided to open direct negotiation with Italy.

WILLIAM SAUNDERS DEAD

Brother of Mrs. O. W. Swinford Passes Away at Portland, Ore.

William Saunders, a brother of Mrs. O. W. Swinford of this city, and Orris Saunders living near Pickering, died yesterday morning at his home in Portland, Ore. His death was due to pneumonia following influenza.

Mr. Saunders was 54 years old. He was born and reared in Nodaway county. Besides the brother and sister living here, Mr. Saunders is survived by three brothers, Miles Saunders of Pueblo, Colo., Robert and Thomas Saunders of Oklahoma, and a sister, Mrs. Lucy Vaughn of Oklahoma.

SHELLMAN FUNERAL TODAY

Body Taken to Hopkins for Interment in Hopkins Cemetery.

The funeral services for Elmer Shellman, who died yesterday afternoon with pneumonia, were held at the home south of Pickering this afternoon at two o'clock.

The body was taken to Hopkins and interred in the Hopkins cemetery.

Plan Wholesale Murder.

London, Oct. 30.—The Bolsheviki have decided upon a general masacre of the upper classes, said a Telegraph Exchange dispatch from Copenhagen today.

Groener Succeeds Ludendorff.

Copenhagen, Oct. 30.—Announcement is made in Berlin today that General Groener has succeeded General Ludendorff, as First Quartermaster General of the German army.

Twin Girls at Hopkins.

Mr. and Mrs. I. A. Fuller of Hopkins, announce the birth of twin daughters on October 26. The little girls have been named Alberta May and Roberta Helen.

Coal Economy in Daylight Saving.

Daylight saving from March 31 to October 27, when all clocks were moved back one hour, approximated something like 1¼ million tons of coal

GERMANY BEGS FOR ARMISTICE

SENDS PRESIDENT WILSON ANOTHER NOTE URGING STEPS TO SECURE IT BE TAKEN

STATUS UNCHANGED

OFFICIALS SAY THE NEW NOTE IS IN NO WAY CALCULATED TO ALTER SITUATION

TERMS ARE BEING FIXED

VERSAILES CONFERENCE REPORTED TO HAVE AGRED ON MAIN POINTS TO BE DICTATED

THINK GERMANS WONT SUBMIT

Further Fighting Is Predicted to Follow Submission of the Terms by the Allies Within a Few Days.

Washington, Oct. 30.—Germany sent an additional note to President Wilson today urging him to take steps to secure an armistice. Secretary Lansing would not comment on the nevr communication, but officials said the note in no way was calculated to change the existing situation.

London, Oct. 30.—The Versailles conference, according to the report current in London has agreed on the main points of the armistice terms, which will be considered by the military commanders.

The final peace terms, it is said, will be submitted to Germany simultaneously with the armistice terms.

Washington, October 30.—Marshal Foch and his associated military advisers have pronounced an armistice, with the Central Powers practicable, provided Allied interests be properly safeguarded.

The military advisers of the Allied nations are now formulating the terms of the proposed armistice and some of the conditions already have been submitted to President Wilson for approval.

Surrender of military power and guarantees for the faithful performance of contract sum up the terms on which Germany will be permitted a cessation of hostilities.

Whether Germany will accept terms tantamount to a surrender remains to be seen, but with Austria and Turkey seeking a separate peace with the Allies, the impression is strengthened that the end of the war is not far distant. Military officials here, however, are still predicting that it will require further fighting to force Germany into submission to Allied terms, unless terms should be weakened.

The conditions so far formulated are not complete and only those upon which Great Britain, France and Italy are in accord have been cabled to President Wilson, according to the understanding here.

The article on the evacuation of invaded territory by Germany as tentatively drawn provides that the armed forces of the Central Powers shall be withdrawn from Belgium, France, Ser-

(Continued on next page.)

THE WEATHER

Fair tonight and Thursday; frost tonight; Friday fair.

ATTENTION VOTERS

PROHIBITION AMENDMENT

We would call the attention of the voters of Nodaway County to the Sixth Amendment which provides for State Prohibition. It is, of course, well known that the vast majority of the people of Nodaway County favor this Amendment, and it is very important that they should vote on it on election day.

We notice the following in the St. Joseph News-Press of Monday:

> "The indications are that the Wets in St. Louis are well organized and that another record vote against the State-wide Prohibition Amendment will be polled."

Now this would indicate that unless those throughout the State who favor the Amendment vote for it, that we may again find the Wets of St. Louis fixing the liquor business upon the State.

The Amendment will be on a sheet separate from the regular ballot containing the names of the candidates, so that you will have to use this separate sheet in casting your vote. On the margin opposite the Amendment will be the words, YES and NO. The word NO should be scratched in order to vote YES.

The vote of the State of Missouri on this question will no doubt be used to influence the action of our own State Legislature on the matter of adopting the United States Prohibition Amendment, and also on the action of the Legislatures of other States on the same question, so that it is very important that the voters of this County, who favor the suppression of the liquor traffic, do not fail to vote YES on this Amendment.

CITIZENS' DRY ALLIANCE OF NODAWAY COUNTY.

Announcement

We take this means of announcing to the general public and our customers, that in co-operating with the health board and the city officials to help down the spread of influenza, that we have thoroughly fumigated our billiard parlor, and will continue to fumigate every night until all danger is over.

Not that there is any more danger in our place than any other place of business in town, but as a precautionary measure.

Yours for safety first,

YEO BROTHERS.

"How Different It Was in Days Gone By"—The Swan Song of T. R.

"'Robber,' 'Usurper of Power,' 'Would-be Dictator,' 'No-Autocracy-for-U. S.'" These are but a few of the weary wales of the Pork Barrel enthusiasts regarding the President's appeal for a congress which will support the administration and its wonderful work in the conduct of the American war program. How easy it is to forget! How different it is today, with the Democratic party in power, for the Republicans to entirely lose sight of their great appeals for support of the people and for a Republican congress in the days of 1898 and of 1906-08, when a Republican held the reins of government in the White House. What was right then is right today. There can be no gainsay, no dodging the issue. And in history, in plain black and white, written into the records, we find:

Hear President McKinley.

President McKinley, in his speeches during the Spanish-American war:

At Boone, Ia., October 11, 1898: "This is no time for divided councils. * * * Remember at this critical hour in the nation's history we must not be divided. The tirumphs of war are yet to be written in the articles of peace."

At Carroll, Ia., October 11, 1898: "As we have stood together in war, so we must stand together * * * in peace."

At Creston, Ia., October 13, 1898: "We must have no differences among ourselves while we are settling differences with another government."

At Springfield, Ill., October 15, 1898: "We want * * * to have no dispute or differences among ourselves to interfere with our united judgment in dealing with the foreign problems that are before us."

Hear Theodore Roosevelt:

In a letter dated Oyster Bay, N. Y., August 18, 1906, to James E. Watson, Theodore Roosevelt said:

"If there were only partisan issues involved in this contest I should hesitate to say anything publicly in reference thereto. But I do not feel that such is the case. On the contrary I feel that all good citizens who have the welfare of America at heart should appreciate the immense amount that has been accomplished by the present congress organized as it is and the urgent need of keeping this organization in power. To change the leadership and organization of the house at this time means to bring confusion upon those who have been successfully engaged in the working out of a great scheme for the betterment of our social, industrial and civic conditions. Such a change would substitute a purposeless confusion, a violent and hurtful oscillation between the positions of the extreme radical and the extreme reactionary, for the present orderly progress along the lines of a carefully thought out policy."

Now, contrast these statements made at a time in our nation's history when America was confronted with but a minor unimportant crisis, with the perfervid howls of "oppression," "slander," "czarism" and other reminiscences of mud and tarpail which Colonel Roosevelt and his satellites are now flinging broadcast, because the President of the United States, our president admired and respected the world over for his achievements and ability, has asked that the people of the country show their confidence in him and in his conduct of the war by giving their active aid through the election of a Democratic congress. Will you, Mr. Voter, allow yourself to be deluded by these false charges?—Kansas City Post.

NOTICE TO REGISTRANTS

The Local Board has recently sent out classification cards to those who have filed questionnaires. Since then, registrants and their friends come at great inconvenience to them from all parts of the county in connection therewith, which was not necessary if the procedure was understood. It is as follows:

There are two boards in connection with the draft. A local board, located at Maryville, and a District Board, located at Kansas City, Mo.

If a registrant has made a dependency claim, the Local Board passes on it. If registrant has both a dependency claim and an agricultural claim, the Local Board passes on the dependency claim, gives registrant notice of their findings, then send the questionnaire on to Kansas City for that board to pass on the agricultural claim. When that board passes on the agricultural claim, the local board receives their finding, and gives registrant notice of what the Kansas City board has done. Remember that the local board does not pass on your agricultural claim. The District Board alone can do that. Your first card has only to do with the one claim as stated. So, when you hear from one claim, do not be disturbed about your agricultural claim till you get the notice from the District Board. If you have no dependency claim, there is no place for the local board to put you but in Class 1. You have no appeal to make, for your agricultural claim goes up without any appeal. However, if your dependency claim has been ruled against you, in that event only is it necessary for you to appear at the local board office, where you may appeal if you so desire.

NOD. COUNTY DRAFT BOARD.

Catarrh is a Real Enemy and Requires Vigorous Treatment

Do Not Neglect It.

When you use medicated sprays, atomizers and douches for your Catarrh, you may succeed in unstopping the clogged-up air passages for the time being, but this annoying condition returns, and you have to do the same thing over and over again.

Catarrh has never yet been cured by these local applications. Have you ever experienced any real benefit from such treatment?

Throw these makeshift remedies to the winds, and get on the right treatment. Go to your drug store to-day, get a bottle of S. S. S., and commence a treatment that has been praised by sufferers for nearly half a century.

S. S. S. gets right at the source of Catarrh, and forces from the blood the germs which cause the disease. You can obtain special medical advice regarding your own case without charge by writing to Medical Director, 22 Swift Laboratory, Atlanta, Ga.

GERMANY BEGS FOR ARMISTICE

(Continued from Page 1.)

bia, Montenegro, Roumania and Russia within a specified time, the extent of which has not been definitely fixed.

Withdraw Beyond the Rhine.

The military advisers propose further that Germany shall be required to withdraw all forces beyond the Rhine, leaving the territory between that river and the German frontier either unprotected or in the hands of the Allied troops.

The Teutonic armies are to be required to surrender all light and heavy ordnance and ammunition for the same upon the beginning of the withdrawal from invaded territory, according to another article in the tentative armistice terms.

Surrender Frontier Fortresses.

Another article provides for the surrender by Germany of the entire chain of frontier fortresses, including Metz and Strassburg, all of which immediately would be occupied by Allied troops and held pending the peace negotiations. This would be a guarantee for the retrocession of Alsace-Lorraine to France, and would place in Allied hand the strategic keys to the interior of Germany, so that the Huns would be compelled to accept peace terms under the guns of the Allies.

Furthermore, it is proposed that Germany shall demobilize her armies, permission being granted to keep a force of an agreed strength under arms for the policing of the empire.

Release Prisoners at Once.

All Allied prisoners of war are to be released by Germany at once, but German prisoners of war are not to be released until the work of reconstruction in invaded countries is completed. This proposed armistice article suggests that the Allied commanders contemplate the employment of German prisoners of war on the work of repairing the devastation wrought in invaded countries.

It is assumed that the Allies also will insist upon Germany making reparation sufficient to cover the cost of its work of restoration, if not indemnities for the crimes of her armies.

As part of the terms of an armistice, the Allied nations will insist upon the surrender of the German fleet, including all the German submarines, and upon the occupation by the Allied forces of all the fortified towns on the Rhine.

DAUGHTER DIES IN MONTANA

Mrs. W. E. Burnsides Passed Away Monday Night.—Burial in Maryvillle.

Mrs. W. E. Burnsides, a daughter of Mrs. John Breedlove of this city, died Monday night at her home in Lambert, Mont. The body will be brought to Maryville for burial and is expected to arrive Friday. No particulars of Mrs. Burnsides' death were given in the message.

Mrs. Burnsides was formerly Miss Elizabeth Moore. She is survived by her husband and young daughter, Maxine, her parents, Mr. and Mrs. Breedlove, living at the corner of Sixth Mulberry streets, and five brothers, Glen Breedlove of Omaha; W. J. Moore, of Wray, Colo.; Andrew J. Breedlove, in army service in France; Arthur Moore and Theodore Breedlove of this city, and a sister, Mrs. Emma Wilmes of Maryville. And uncle and aunt, A. J. Shupe and Mrs. M. L. Highbargar of Oklahoma City, will arrive in Maryville, tonight, and remain until after the funeral of their niece.

Referee's Sale

265 Acres Farm Land

By virtue of an order of sale from the District Court of Taylor County, Iawa, in the partition suit of Perry P. Fine et al., v. Harriett D. Fine et al., I will offer for sale the following described real estate at the residence on part of the land, 2½ miles south and ¾ mile west of Siam, in Taylor county, Iowa, at 1 o'clock p. m. on

Thursday, November 14th, 1918

The land in Taylor county is located 3½ miles southwest of Siam and 15 miles southwest of Bedford, Iowa and 6 1-4 miles northwest of Hopkins, Mo. The land in Page county is located just to the west of the land in Taylor county. This land has been under the ownership and management of one man for from 40 to 60 years; has been well taken care of and is in good condition.

Taylor County Land

80 ACRES, described as SW 1-4, SE 1-4 19, and NW 1-4 NE 1-4 30-67-35, 7 room, 2 story house with new cement block foundation; brick cave, laundry house, smoke house, steel garage, hen house, implement shed, one frame barn 42x50, cattle barn 30x38, farm scales, 1 old house used for storage, cattle shed 14x28, 2 good wells with 1 windmill, 1 cistern and orchard. There is a school on this eighty about 40 rods from the house. 30 acres fenced hog-tight, balance barbed wire. Approximately all in grass.

80 ACRES, described as SE 1-4 SW 1-4 19, and NE 1-4 NW 1-4, 30-67-35. 5 room house, shed hen house, cave, good well. Fenced mostly with hedge. About 20 acres in grass, balance in cultivation.

69 ACRES, described as S W1-4 SW 1-4 19 and NW 1-4 NW 1-4, 30-67-35. Fenced with barbed wire and hedge. Good well and windmill, but no buildings. About 10 acres under plow, balance now in pasture.

Page County Land

16 ACRES, described as East 16 acres of SE 1-4 SE 1-4 24,67-36. Adjoins the land in Section 19, in Taylor county. All in pasture. Fenced with 3 barbed wires.

NOW RAISES 600 CHICKENS

After Being Relieved of Organic Trouble by Lydia E. Pinkham's Vegetable Compound.

Oregon, Ill.—"I took Lydia E. Pinkham's Vegetable Compound for an organic trouble which pulled me down until I could not put my foot to the floor and could scarcely do my work, and as I live on a small farm and raise six hundred chickens every year it made it very hard for me.

"I saw the Compound advertised in our paper, and tried it. It has restored my health so I can do all my work and I am so grateful that I am recommending it to my friends."—Mrs. D. M. ALTERS, R. R. 4, Oregon, Ill.

Only women who have suffered the tortures of such troubles and have dragged along from day to day can realize the relief which this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, brought to Mrs. Alters.

Women everywhere in Mrs. Alters' condition should profit by her recommendation, and if there are any complications write Lydia E. Pinkham's Medicine Co., Lynn, Mass., for advice. The result of their 40 years experience is at your service.

Druggists! Please Note Vick's VapoRub Oversold Due to Present Epidemic

Tremendous Demand Last Few Days Has Wiped Out Excess Stocks That We Had Estimated Would Last Until Next January. Last Week's Orders Called for One and Three-Quarter Million Jars—Today's Orders Alone Amount to 932,459 Jars.

Big Shipments are En Route to Jobbers —Until These Arrive There May be a Temporary Shortage — All Deals Postponed—Buy in Small Lots Only.

RETAILERS CAN GET IMMEDIATE SHIPMENTS DIRECT BY PARCEL POST.

This advertisement is written on Monday, October 21st. It is directed to the attention of all distributors of Vick's VapoRub, both wholesale and retail. In an emergency such as the present epidemic—our duty—and your duty—is to distribute VapoRub in the quickest possible manner to those sections stricken by Influenza. We, therefore, call your careful attention to the following:

DANGER OF SHORTAGE IF SUPPLY IS NOT CONSERVED.

On October 1 we had on hand, at our factory and in twenty warehouses scattered over the country, sufficient VapoRub to last us, we thought, until January 1st, allowing for a 50 per cent increase over last year's sales, and not counting our daily output. This big excess stock had been accumulated during the summer months.

Then this epidemic of Spanish Influenza hit us—and in the last 10 days this stock has vanished. At first we thought this tremendous demand would last only a few days, but the orders have run:

Wed., Oct. 16.....18,504 doz.
Thurs., Oct. 17.....35,323 doz.
Fri., Oct. 18.....39,256 doz.
Sat., Oct. 19.....45,833 doz.
Mon., Oct. 21.....77,705 doz.

Up to Saturday, October 19th, we have actually shipped for this month $400,284.10, or over two million jars of VapoRub.

THE PROBLEM NOW IS TO DISTRIBUTE VAPORUB QUICKLY.

Most of this tremendous quantity is still en route to the jobbers, but freight and express are both congested nowadays, and it may be some time before this supply reaches the jobbers. In the meantime, therefore, it is necessary that we distribute, as widely as possible, the stock that we are manufacturing daily, together with that now on the jobbers' and retailers' shelves, in order that it may get to the Influenza districts quickly. Our normal output is about 4,000 dozen per day. We are putting on a night shift, but it will be a little while before that is producing.

WHAT WE ASK THE WHOLESALE DRUGGIST TO DO.

Last Saturday we notified all of our jobbers, by Special Delivery, as follows:

1st—Deals and quantity shipments of all kinds are cancelled. Fill no quantity orders of any kind, whether taken by our salesmen or by you, own. Sell in small lots only.

2nd—Order from us in as small quantities as possible. If you are out we will try to ship a limited amount by Parcel Post or express, and pay the charges ourselves.

3rd—In order to make distribution still quicker, we will ship direct to your retail customers quantities not more than three (3) dozen 30c size at any one shipment.

4th—We are now out of the 60c size and will be for the next 10 days.

WHAT WE ASK THE RETAIL DRUGGIST TO DO.

Buy in as small quantities as possible. If you have any quantity orders, given the jobbers' salesmen or given to our salesmen, don't bother about them — no need to write us—it is absolutely impossible to fill these orders at this time. If the jobbers in your territory are out of Vick's VapoRub, we will ship you by Parcel ost, prepaid, quantities not more than three (3) dozen 30c size in any one order. Naturally, we can't open accounts at this time, so your check or money order for this amount must accompany order. Don't write us stating to ship through your jobber, as we then have to wait until we write this jobber and get his O. K. If you wish the goods to come thru your jobber, have him order them for you.

SNOWED UNDER WITH CORRESPONDENCE.

Our force has already been "shot to pieces"—twenty-four of our men are wearing Uncle Sam's khaki—and this recent rush has simply buried us. All our sales force has been called to help in the office and factory. We just mention this so you won't hold it against us if your wires and letters aren't answered promptly.

SPECIAL BOOKLETS ON SPANISH INFLUENZA.

We will send, on request, to any retail druggist, 100 or more little booklets, just issued, on Spanish Influenza, giving the latest information about this disease—its history—the symptoms — the treatment, and particularly the use of Vick's VapoRub as an external application to supplement the physician's treatment.

NEW WAYS TO USE VAPORUB.

In addition to the usual method of using VapoRub—that is, applied over the throat and chest and covered with hot flannel cloths—our customers are writing us daily telling of their success in using VapoRub in other ways, particularly as a preventive. They melt a little in a spoon and inhale the vapors arising, or melt it in a benzoin steam kettle. Where the steam kettle is no tavailable, VapoRub can be used in an ordinary tea-kettle. Fill the tea-kettle half full of boiling water, put in half a teaspoon of VapoRub from time to time—keep the kettle just slowly boiling and inhale the steam arising.

According to a bulletin just issued by the Public Health Service, Dr. Stiles, of this Service, recommends that the nose be kept greased as a preventive measure against the Influenza germs. For this purpose VapoRub is excellent.

SOCIETY and CLUBLAND

By KATE SCHENCK
PHONES—OFFICE 42. HOME 683

Long, Long Ago, Last Year.

I used to think it mattered
Long, long ago, last year,
Whether winds blew cold or warmly,
Whether skies were dark or clear;
I used to sigh for sunshine
When clouds hung heavily,
But I do not mind the weather
Since my dear lad crossed the sea.

I used to seek for pleasure
Those long twelve months ago;
How eagerly I followed it
And hurried to and fro!
They used to seem important things—
The game, the play, the dance;
But I'm done with foolish idling
Since my dear lad went to France.

I used to pray for many gifts
Long, long ago, last year,
For empty things like wealth and fame,
For comforts counted dear;
But now just one prayer from my heart
Goes up unceasingly:
"O God, give peace with honor,
And my dear lad back to me!"
—Floretta E. Greeley in Ladies Home Journal.

No Christian Women's Meeting This Week.

There will be no meeting this week of the Missionary Society of the First Christian church.

Ethel Jean Davis Celebrates Birthday.

Ethel Jean Davis, the daughter of Prof. and Mrs. S. E. Davis entertained several of her small friends with a picnic at Normal Park yesterday afternoon from 3 till 5 o'clock, the occasion being her sixth birthday anniversary. The children who enjoyed the afternoon with Ethel Jean were Billee Wright, Alsamene King, John Henry Heath, Elizabeth McGill, Margaret Swinehart and Lucile Leeson. Mrs. Davis was assisted during the afternoon's entertainment by Miss Tessie Dogan.

Ogdens Give Dinner This Evening.

Mr. and Mrs. Lawrence Belden Ogden will give a dinner this evening at which plates will be laid for Mr. and Mrs. Harold Hounold Bellows, Mr. and Mrs. Harry Wilson of Burlington Junction, and Mr. and Mrs. Dale Bellows.

Soldier Boys to Have Hallowe'en Frolic.

The Student Army Training Corps is to be allowed a frolic Thursday night and the boys want to have a real party and feed. They are not soliciting but if any one wants to send them a pie, cake, cookies, or anything which a soldier boy would call a real feed—telephone Lieut. Burns or Private Selecman at the Normal and a soldier boy will call for it Thursday afternoon.

There Is a Girl in Maryville Who—

There is one thrifty girl in this community. She had a pair of white shoes which she wished to dye. As this stuff smells so badly, she decided she ought to dye them while the smell of disinfectants are so strong everywhere to counter-act the "flu" and folks would just think it was ordinary formaldehyde and not camouflaged shoes.

Shakespeare Department Holds Interesting Session.

The October meeting of the Shakespeare department of the Twentieth Century club was one of unusual interest. The leader, Mrs. Elmer Fraser, made the lesson study very entertaining and beneficial to all the members and Mrs. Anderson Craig read an article, "Why We are in the War—the Indemnity of the Present and Future," which was one of the most instructive articles on that line which the club had been privileged to hear. This has been sent by the department secretary through Mrs. Ed G. Orear, district chairman of reciprocity, to the reciprocity bureau of club news. Mrs. Fraser took the first and second acts of Anthony and Cleopatra, which the department is studying this year. She was assisted by Miss Bertha Beal in the presentation of the study. The meeting was held at the Elks club with Miss Beal hostess. The membership of this department is small and their gatherings are not affected by the public quarantine ban.

Silver Flat Ware

We have a beautiful line of silver in Casseroles, baking dishes, bread and cake plates, creamers and sugars, vases, etc. Silver is in a class by itself, and for your own use or as a present these pieces are in superlative good taste.

These goods are priced so that there is not a piece that isn't an exceptionally high value.

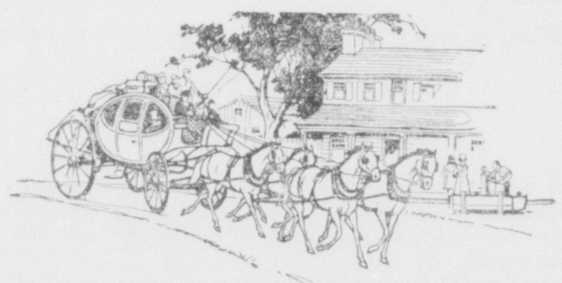
BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel — are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.



Republics Are Made By Prodium Process

Republic Tires last longer because of the rubber stock in the tread.

This rubber is made by the Prodium Process.

It is exceedingly tough and wear-resisting.

It does not chip or road cut and yet it is very resilient.

Republic Tires are today enjoying greater popularity than ever before.

This is due to the fact that they *do* last longer.

Republic Inner Tubes, both Black-Line Red and Gray, have a reputation for freedom from trouble

The Tailored Suit Is a Practical Fashion

Have you secured your tailored suit for fall and winter wear? With thousands of women drawn into the busy business life — with thousands of others doing essential war service work in the homes, American women are making good their boast that they are the most practical women in the world.

And the world is asking, "Are they practical in dress?" Fashion answers, "Yes."

No longer are they satisfied with freakish styles. Look at the tailored suits for fall—trim, neat styles that are created along simplicity lines with dainty fashion touches that are in keeping with the times. Practical? Yes, absolutely.

Our very extensive stock of Wooltex and other high grade tailored suits offers a wonderful variety to choose from. Styles, weaves and colors that will assure you of the certainty that you are correctly dressed for the whole season.

Prices on the new fall suits range from.....$25.00 to $69.00

SPECIAL—As a special inducement for you to visit the suit department and see the wonderful values we are showing, we are assembling one special lot of tailored suits, in neat tailored styles, Burella cloth, Whipcord, Poplin, Serge and Velour. Brown, Green, Navy, Oxford and Black, sizes 18, 36, 38, 40, 42 and 43, at each only.....$19.50

Buy your suit now and get a full season's wear from it—you have a larger assortment to choose from now than later.

Holmes' Entertain Guests at Dinner.

Mr. and Mrs. G. B. Holmes and daughter, Miss Lucile, entertained with a dinner last night at their home on Grand avenue, their guests being Mr. and Mrs. J. F. Montgomery, Mr. and Mrs. Lawrence Ogden and Mr. and Mrs. Bruce Montgomery and small daughter, Jean.

There Is a Boy in Maryville Who—

There is a boy in Maryville who went without his share of sugar for one week, in order to send his girl a cake. This boy's mother bakes the grandest sort of cakes. His best girl pal is away at school and son wanted his mother to bake him a cake to send her. The family supply of sugar wouldn't allow the treat to be sent unless some one sacrificed, so son did.

HEALTH TALKS

SPANISH INFLUENZA OR GRIP.

By Dr. Lee H. Smith.

An old enemy is with us again, and whether we fight a German or a germ, we must put up a good fight, and not be afraid. The influenza runs a very brief course when the patient is careful and if we keep the system in good condition and throw off the poisons which tend to accumulate within our bodies, we can escape the disease. Remember these three C's—a clean mouth, a clean skin, and clean bowels. To carry off poisons from the system and keep the bowels loose, daily doses of a pleasant laxative should be taken. Such a one is made of May apple, leaves of aloe, root of jalap, and called Dr. Pierce's Pleasant Pellets. Hot lemonade should be used freely if attacked by a cold, and the patient should be put to bed after a hot mustard foot-bath.

To prevent the attack of bronchitis or pneumonia and to control the pain, Anuric tablets should be obtained at the drug store, and one given every two hours, with lemonade. The Anuric tablets were first discovered by Dr. Pierce, and, as they flush the bladder and cleanse the kidneys, they carry away much of the poisons and the uric acid.

It is important that broths, milk, buttermilk, ice cream and simple diet be given regularly to strengthen the system and increase the vital resistance. The fever is diminished by the use of the Anuric tablets, but in addition, the forehead, arms and hands may be bathed with water (tepid) in which a tablespoonful of salaratus has been dissolved in a quart. After an attack of grip or pneumonia to build up and strengthen the system, obtain at the drug store a good iron tonic, called "Irontic" Tablets, or that well known herbal tonic, Dr. Pierce's Golden Medical Discovery. —Adv.

WHIPPED THE KAISER'S BEST

Dick Livasy Says the National Guard Boys Are Some Fighters.

In a letter to his mother, Mrs. Mary Livasy, dated October 9, Harold Livasy writes as follows:

"If you could only see me now. I've got a blossom on my nose that would shame the head lights of a Ford. Fritz's mustard gas is the cause of my disfigurement, but in a few days more I hope to be over the effects of and able to enjoy my cigarette again as I used to. Mother, never will I forget the experiences of the last few months. I've had some wonderful experiences and have taken in some great sights, but what I enjoyed more than anything else was to find myself mixed up with some of my old out fit of Mexican Border days one morning as we went over the top. I didn't have time to talk to any of the boys but saw a great many that I knew. I did not get to see Dave Pfeiffer, but one of the other boys told me he was in it some place. And, listen—if any one asks you if the Missouri National Guard can fight, you can tell them they can, for they sure put to shame some of the Kaiser's best. Am sending you a couple of German post cards Only get the home papers about twice a month. I received fourteen letters at one time a few days ago, so you see my mail is rather irregular too. This coupon you can hang up for a souvenir for there is nothing I want and from the directions you can't send much anyway. Tell all hello. I am feeling fine."

Closing Out Sale

As I have rented my farm and am going to move to town, I will sell at my farm 5 miles west and 1 mile north of Maryville and 6 miles east of Quitman on

Thursday, November 7th

the following property, commencing at 10 o'clock:

8 HEAD OF HORSES, MARES AND COLTS—Gray mare, 4 years old, wt. 1500, bred to C. J. Willhoyt jack; gray mare, 7 years old, wt 1700, bred to C. J. Willhoyt jack; black horse, 10 years old, broke in all harness; pair mares smooth mouth, bred to jack; yearling draft mare colt, extra good; weanling horse colt; weanling mare mule.

30 HEAD HIGH GRADE SHORTHORN CATTLE—8 milch cows, some giving milk now and all to freshen in February and March; 8 yearling steers; 10 yearling heifers; 4 spring calves.

BOLCKOW — — MISSOURI

Taylor County's Most Sensational Poland-China Sale

To be held on the Bowers' farm, 3 miles west of Conway and 3 miles east of Gravity, Ia., on the Waubonsie Trail,

Friday, November 1st

40 Head of the Biggest Young Boars of the Season.
40 Boars averaging 300 lbs each.

34 head sired by my 12-inch boned boar, Bowers' Mammoth Joe. 6 head sired by Bess Big Orange and Levi's Giant, a brother to the largest sow in the world.

Now, Farmers and Breeders, if you want a young boar with plenty of bone, length, size and big type qualities, you will find them in this sale.

I make it a study of breeding them as large as they grow. I challenge them all to show me more size, bone and big type qualities.

Now, this is a strong statement. But I believe I have the proof. The largest Poland-China hog show that was ever held in Iowa was held at Cedar Rapids Sept. 30 to October 5, 1918. It was the 3rd National Swine Show. A National Hog Show—the largest and best were entered in this show. I won the honor of having the heaviest boned boar at the show. I also had the largest brood sow ever shown of any breed. It was Longfellow Giantess, weighing 925 lbs. After 48 hours on the railroad I showed the four largest spring boar pigs, wt. 1250 lbs. The largest at the show. I also had the heaviest boned spring pigs. By having the largest sow and largest spring pigs and having the heaviest boned herd boar and heaviest boned boar pigs, I won the $100 special and 6 other ribbons. Among 30 junior spring boars from 10 different states, I won 4th place in hot competition.

Now, remember I have the hogs. Come November 1st and see them. Catalogues are now ready. Write for one by return mail.

W. O. Bowers
Conway, Iowa

James E. Duncan and Chilcote Bros., Aucts.
John Cooper, Clerk.
Fieldmen: Chas. Pfander, Poland-China Journal. Fred L. Rood, American Swine Herd. Free entertainment on grounds.

Returns to Eldorado.

Forrest Haines left at noon for his home in Eldorado, Kan., after a short visit with his brother, Harvey.

Sheriff's Sale in Partition

The land belonging to the estate of John Graves, deceased, will be sold in partition on

SATURDAY, NOVEMBER 2, 1918

at the Court House, Maryville, Mo., for Cash.

This land consists of 175 acres, well improved, lying about two and a half miles east of Burlington Junction, Mo.

80 acres 1½ miles east of Burlington Junction, Mo., also town property in Burlington Junction, consisting of house, out buildings and three acres of ground.

Investors should look at this property and attend the sale.

JOHN F. DOWDEN, Sheriff.

Public Notice

To any person that wants to make more money, come to Wyoming and buy you a farm where the crop in one year will pay for the land and where one acre put in potatoes will pay for five acres at the present price; where you and your family will be healthy and you are sure to prosper if you work and try like you have to in Missouri. Now I know what I am saying, as I lived here in good old Missouri for 18 years and always tried hard to get us a home, but when I left here three years ago I owed over $1,600.00 of debts here that I could not pay, but have paid them since I went to Wyoming. I am only telling you this to encourage you to come. We have good schools good churches, good water and climate, and as good people as you can find anywhere. I have land I can sell from $15.00 per acre up to $50.00 per acre. Close to two good railroads. Have got a 2,400 acre ranch at $25.00 per acre that is sure a bargain.

Now the first reason I want you to come to Wyoming is, because if you come and buy a farm I get a small commission out of it, but that is not the best reason. I know I will be doing you a favor and know you will always be glad you come. Now, in case some stranger to me should read this ad. I will give you as reference some of the best men in Nodaway County or any other county. In Parnell, James Barber, W. N. Morgan, C. C. Evans, A. J. Roof, Bill Jackson; Ravenwood, Mo., S. E. Wells, and V. O. Hunt; Barnard, Mo., George Cole, banker; Gaynor City, Mo., Charlie Lewis; Sheridan, Mo., C. C. Hall; Hopkins, Mo., Albert Mutti; Maryville, Mo., Nathaniel Sisson, U. S. Wright, Henry Wright, James Robinson. For any information about this county, if you can't see me when I am here, write me at Carpenter, Wyo. I took three men out with me two weeks ago and sold all three a farm. Would be glad to have you talk to any of these men: Cecil Talkington of Parnell or Elmer Talkington and Pete Mumford of Bedford, Iowa. We raise corn, wheat, oats, barley, rye, speltz, flax, millet, cane and potatoes, alfalfa and good gardens. Poultry of all kinds do well. Stock of all kinds do well, especially hogs, as hog cholera is unknown.

The only way you can realize what a good county we have is to come and see it. For further information, write—

Frank Bebb, Carpenter, Wyoming
